It Takes A Borough: Mission Statement

It Takes a Borough formally organized in January of 2024 with a mission to compassionately support those that live, work, or volunteer in Metuchen and are facing adversity. As a nonprofit organization, It Takes A Borough is dedicated to encouraging community solidarity; relying on financial contributions and tangible donations to create meaningful, positive impacts on members of its community affected by tragedy or unforeseen circumstances.

About The Fuce 5K Family Fun Walk

On September 4, 2008, Mike Fuccile was murdered on his way to work in Jersey City where he served as a chief compliance officer for Merrill Lynch. Mike left behind his wife of ten years, Nancy, and their three children; Michael, Jack and Brooke. In 2009, the Fuccile Foundation was established to help local families impacted by tragedy and it continued to do so until the end of 2023, when it passed its torch to It Takes A Borough. The Fuce 5K Family Fun Run/Walk was always the Fuccile Foundation's most beloved and profitable fundraiser and It Takes A Borough is honored to continue to host this event in Mike Fuccile's name in order to keep his memory alive and continue the good work of the Fuccile Foundation. Historically, the race draws 1,000 or more runners, thousands of dollars in sponsorships, hundreds of volunteers, and has provided tens of thousands of dollars in financial support to families affected by tragedy.

We hope you will consider sponsoring this incredible event and supporting It Takes A Borough. Your generous support will be impactful for those in need and your contribution will be recognized in our marketing materials and on our race shirts.

Please make checks payable to Fuccile Foundation and send to: PO Box 453, Metuchen, NJ 08840.
